## Army Defeats Navy 14 to 0; Oliphant Stars for the Cadets

### ARMY TRIUMPHS OVER MIDDIES

Line-Wrecking of Oliphant Wins the Game for the Cadets.

### COULDN'T STOP HIM

Took the Entire Annapolis Team to Stop Opponents' Right Half.

OLIPHANT

NEW YORK, Nov. 27.—The Army football eleven, showing a better degree of preparation than the Navy team, triumphed over their Annapolis rivals here today by a score of 14 to 0. Twice during the game the entire Annapolis team was used to stop the Army's right half, but the soldiers' superior play and the graying of a driving afternoon in the midwestern city, with every gun working desperately but fruitlessly against the superior equipment of the Army.

Although the miffy Army team, with unflinching courage, from his opening shot until the final whistle, seemed to have been defeated, the Army's superior play and the graying of a driving afternoon in the midwestern city, with every gun working desperately but fruitlessly against the superior equipment of the Army.

Oliphant the Star. Had Oliphant been taken to the opening minutes of the contest the midwesterners would have been in a bad way. The Army's right half, Oliphant, was the star of the game. He was the only player who was not tackled by the Navy's defense. He was the only player who was not tackled by the Navy's defense. He was the only player who was not tackled by the Navy's defense.

President Wilson and some forty-four other officials of the city were in the stands to watch the game. The Army's right half, Oliphant, was the star of the game. ### SEMI-WINDUP WILL BE SOME BOUT, TOO

Tobe Roach and "Kid" Turley Will Go Ten Terrific Rounds.

### KIRK IS GOING FINE

Oh, But 'Twill Be a Wonderful Show, That of December 2.

ROACH

Speaking about that boxing exhibition at the Palm Garden Athletic club, North Greenwood avenue, the night of December 2, right about the time of the fact that an eight-round semi-windup will be fought between Tobe Roach and "Kid" Turley. The boys are among the best of their class in the country, excepting none, and there will be something doing all the time while they are in the ring.

This Turley youngster has met the best of them, including Freddy Hamann and "Young" Togo, both of whom had to sidestep to avoid severe punishment. Taking this into consideration, therefore, it stands to reason that Mr. Roach has a grand entertainment coming.

Roach is well known in this city by the fans who have seen him perform. He is one of the greatest of the little division, and his action always is designed to give the crowd a winner. He is the most popular boxer in the city and it is his intention to show the Tulsa boys his true caliber during his engagement here December 2.

There is considerable excitement on the outcome of this fight. There are some of the best of the division waiting for some worthy foe, and it is probable that either Roach or Turley will be the one to be awarded by some of the best in the country.

Kirk and Davis. Sailor Frankie Kirk and Saller Davis are working hard for their 15-round bout, and both will be in tip-top condition. Kirk is in the pink of condition now, although it is his intention to keep on working until at such time as he is convinced he is invincible against his opponent. Davis won a bout at Wichita Falls, Kan., this week, and came to Tulsa all confidence. Whether that confidence will win him the coming fray remains to be seen.

The show is bound to be one of the best ever seen here, taken all in all, and the attendance will be the largest ever witnessed a performance of the kind. It is the intention to supplant the Australian "wix-wix" with a battle royal, which, after all, is the only way to give the most for the money.

Freddie Hamann, the popular local featherweight, left last night for Bartlesville, accompanied by his manager, Sammy McIntire, and his two sparring partners. Hamann is to box Arlos Fanning, the phenomenal Bartlesville ring artist, 15 rounds in that city on Wednesday, December 2. He has been working faithfully for the past several weeks and is in great condition, but will continue gymnasium work and boxing at Bartlesville.

The show is to be staged in the Grand theater. A big crowd of Tulsa fans will go to Bartlesville for the bout, as they anticipate a smashing bout. Fanning is the best boy of his weight in the southwest, while Hamann holds the Pacific coast championship and has won all of his four matches in Oklahoma.

### KENDALL TEAM TO BE GIVEN BANQUET

Chamber of Commerce Will Be Host at Affair Wednesday Night.

### PROMINENT GUESTS

Faculty of College and Board of Trustees to Be Invited.

The Chamber of Commerce and Federation of Allied Interests will tender a banquet to the all-victorious Kendall football team at Hotel Tulsa next Wednesday night at 8 o'clock. Announcement to this effect was made yesterday afternoon by Secretary E. O. Tibbels, after G. N. Wright, president of the Chamber, had sanctioned the plan.

Fifteen of the football players, Coaches Sam McIlreath and Francis Schmidt, the entire faculty of the college, the local members of the board of trustees, the board of directors of the Chamber of Commerce and several prominent invited guests will participate in the affair.

President Wright will officiate as toastmaster and the speaking program will be made out tomorrow. "By their wonderful playing," said Secretary Tibbels yesterday, "the Kendall football team of 1915 has not only placed their college on the map in capital letters, but have given the city of Tulsa a vast amount of favorable publicity extending to all parts of the continent. We feel that we should show our appreciation of the team and the college by tendering a banquet in honor of the victors, and hope that it will be the means of more closely connecting the business interests of Tulsa with the college, to the end that Kendall may be made the biggest private educational institution in Oklahoma, if not the southwest."

W. N. Robinson of Hotel Tulsa, an amateur football fan as well as a Kendall roster, will make a special effort to furnish a banquet strictly in keeping with the occasion.

### KIEFER HIGH HAS SPLENDID RECORD

Went Through Season With One Defeat; Claims Championship.

Special to The World.

KIEFER, Okla., Nov. 27.—Closing its season with a decisive defeat of Bristol high school, the Kiefer high school today announced themselves as champions to the co-championship of this section. On account of Sapulpa's refusal to play them, the locals did not have a chance to eliminate Sapulpa and consequently share honors with that city.

Kiefer's only defeat was early in the season when Okmulgee took a close game 7 to 6. They have, however, offset this by two victories over Henryetta high. The latter has a 9 to 10 win over Okmulgee to its credit. The other schools which have lost the dust before Kiefer's attack are Collinsville, Nayaka Indians and Bristol twice.

A large contributor to Kiefer's success was its forward passing game. E. C. Parker, who coached the team, concentrated his forces on the aerial attack and developed several expert receivers. Perhaps the best man in this line of work was Richison, who was aided by Estes, Brownfield and Lowe. The line added the attack by its holding and as evidence of its skill is the fact that not a substitute was used during the season.

The personnel of the team is as follows: Richison, right end; Jones, right tackle; Oliver, Corwin and Young, right guard; Delmar, center; Shrewbury, left guard; Noon, left tackle; Edwards and Chapman, left end; Estep, quarter; Brownfield (captain), right half; Lowe, left half; Shrewbury, fullback.

Then They Began Again. What the quarrel was about neither of them knew but they had been hard at it all the evening. The lady was the first to sue for peace. Seating herself coyly on the arm of her husband's chair she said coaxingly: "Come John dear, kiss my cheek and make it up!" But John was not in a gracious frame of mind. All he replied was: "I'll kiss it but I don't think it wants any more making-up."

"Some overcoat" isn't it

Hart Schaffner & Marx made it

But if you think it's smart looking in the picture, you ought to see it in the "wool and silk;" you'll realize why the young men of America have made the Varsity Six Hundred styles their favorite overcoats.
